

**Psychiatric and Medical Nurse Practitioners Positions Available in
Florham Park, Union, and Princeton Junction, NJ**

Summit Behavioral Health is seeking Psychiatric and Medical Nurse Practitioners for our Outpatient and Inpatient facilities in Florham Park, Union, and Princeton Junction, NJ.

Our programs are based on the fundamental belief that no single treatment philosophy or approach is best for everyone. Our experience collaboratively creates each client's treatment plan to reflect their unique needs and empower them to succeed.

Summit Behavioral Health offers intensive outpatient, partial care, medical detox and residential programs for substance abuse treatment that is tailored to each individual's needs. By blending some of the best clinical practices and evidence-based strategies available, Summit Behavioral Health's programs treat both addiction and its underlying causes. We strive to provide a solid foundation toward recovery utilizing an integrative treatment approach.

The Nurse Practitioner is responsible for helping with all aspects of patient care, including diagnosis, treatments, consultations, and prescribing medications. The NP is also responsible for promoting a safe and therapeutic environment for clients who are detoxifying from substance dependency.

DUTIES & ESSENTIAL JOB FUNCTIONS INCLUDE & NOT LIMITED TO:

- Conducts patient History and Physical examinations.
- Assesses patients' medical urgency, determines care needs based upon presented symptoms and department standards of care. Collaborates care with Medical Director.
- Formulates patient specific goals directed plan of care which is prioritized and based on nursing assessment and patient outcomes in collaboration with Medical Director.
- Develops, individualizes, and professionally modifies care through physical, psychosocial and cognitive realms of nursing assessment.
- Prescribes medication to meet patient needs in collaboration with protocols and Medical Director.
- Ensures total patient care needs are met at all times.

QUALIFICATIONS

- Master's Degree and Advanced Practice Nurse, Nurse Practitioner license (APN, APRN, or NP)
- Current Nursing license in good standing in New Jersey.
- Demonstrated computer proficiency.

- Experience working with psychiatric or co-occurring patients preferred.

COMPETENCIES - KNOWLEDGE, SKILLS and EXPERIENCE

- Ability to communicate effectively, both in writing and verbally.
- Demonstrated customer service skills and ability to interact with staff and clients in a professional manner.
- Ability to conduct History & Physical examinations, assess needs and deliver medical services to individuals detoxifying from substance abuse.
- Ability to screen for psychoactive substance toxicity, intoxication, and withdrawal symptoms.

We are proud to be an Equal Opportunity Employer!
